

2012 CCBC CHILDREN'S CENTER AUCTION

Donation Suggestions

The success of the auction hinges on the generous donations of our parents and friends. Below are the silent auction categories with suggested items and some things to keep in mind when considering what you might donate.

- Team up with a friend or two for a really special contribution
- If you have a really special item – vacation house, lunch with a VIP, an unusual opportunity for a behind-the-scenes experience – we'd love to put it in the Live Auction
- Solicit a business you know for a donation – you'd be surprised how many say yes!
- When in doubt, we are always grateful to have cash donations
