

Home Visits

CCBC invites you to participate in our “Home Visit” program. A Brief visit from your child’s teacher, on familiar ground, can help make the start of school more comfortable for you and your child. Visits last about 15-20 minutes and are very informal.

If you would like to schedule a visit, please fill out the form below and return it with your other registration materials. A teacher will contact you in late August or early September.

Thank you
